

Instructions to complete the option choice sheet overleaf:

- In the 'S4 Courses' column note the courses completed from S4.
- In the 'S5 Courses' column note the courses you are currently undertaking.
- **Now choose 1 subject at the appropriate level from each column 1-5.**
- If you are choosing to return for S6 you will undertake either 4 or 5 courses. If you decide to follow 4 courses your fifth option will be supervised private study. You must choose this in the column where you are not selecting a subject.
- If you have undertaken a Foundation Apprenticeship during S5 indicate this in the space provided.
- Check with your current class teacher if you are unsure of the correct level.
- If interested in Advanced Highers these are to be noted below. This is in addition to selecting courses from columns 1-5 over the page. Advanced Highers may (or may not run), a final decision will be made regarding the viability of these particular courses in August.
- If you are choosing a subject for the first time, ensure you have researched the entrance requirements that the department expect you to have. Particularly where the course is at Higher level. Note that not all Higher courses are suited to studying without having studied them at National 5 level.
- Complete the question below about either core PE or one additional period of private study.
- **ENSURE BOTH SIDES OF THIS FORM ARE COMPLETED.**
- If there are any conflicts, please discuss this with your Pupil Support Teacher and record difficulties at the bottom of this sheet.
