Change of Timetable Arrangements June 2020

Dear Parent/Carer

As we continue in this period of school closure, it is essential that we plan for the future, and work towards a time when we are, once again able to deliver our normal education provision. With this in mind, the following paper, outlines how we will move to our new timetable on 1st June 2020. From this date pupils will move up to their next year group i.e.S1 will become S2 etc.

Given that we are still in a period of school closure, our expectations of the level of teaching and learning of the highest quality that can take place at a distance must be realistic. With this in mind we suggest a plan for a typical day at a virtual school as follows:

Time	Activity	Information
Before 9am	Wake up!	Get breakfast, get changed and get ready for the day!
9-9.30am	Active time	PE with Joe Wicks or Dance with Oti Mabuse (both available on YouTube)
9.30-10.30am	Task time 1	Completing school work. Log into Google Classroom to complete some of the tasks set by your teachers.
10.30-11am	Break Time	Have something to eat and a drink. No screens. Get some fresh air, if you can or talk to a family member.
11-12pm	Task time 2	Completing school work. Log into Google Classroom to complete some of the tasks set by your teachers.
12-1pm	Lunch	Have something to eat and get some fresh air if possible. Go for a walk within guidelines. Try to avoid screens.
1-2pm	Task time 3	Completing school work. Log into Google Classroom to complete some of the tasks set by your teachers.
2-3pm	Relax	Time to unwind, read, do mindfulness, listen to or play music, do a puzzle or craft. Try to avoid screens.
3-3.30pm	Check in	Check on Google Classroom to see if you have any feedback from work submitted.

Each day we are suggesting that there are 3 virtual periods of lessons. We aim to have a balance between lessons and wellbeing. The daily planner takes account of the need for structure, lessons and wellbeing. This is the model we will operate for the remaining 4 weeks of the summer term (we close on 24th June). This will mean:

Pupils in current S1 will move into S2. They should continue to access as many Google classrooms as they can. The work will 'continue on' from where pupils left off in S1 and pupils should look to engage in Literacy, Numeracy and Wellbeing activities as well as receive new content in all subject areas where appropriate. Access to Google classrooms will remain as it has been for S1. Meaning no change in the current approach on entering S2. An illustration of how a timetable could be followed is illustrated below.

Week 1-4 June	Task 1: 9.30 – 10.30am	Task 2: 11.00 – 12.00pm	Task 3: 1.00 - 2.00pm
Monday	French	Social Subjects	Art
Tuesday	English	Science	Business/ICT
Wednesday	Music	Tech	Maths
Thursday	Tech	French	English
Friday	Art	Maths	Music

Pupils in current S2 will move to S3. The options process for S2 into S3 took place earlier in the year and each pupil chose 8 main subjects in columns A to H. We will assume for the time being that there are no issues with over/under capacity and the courses will all run as is for the month of June. We will notify every pupil in S2 of their S3 choices via their glow email account. These are the subjects, pupils should aim, where possible, to work on from 1 June. For each of our remaining weeks a timetable has been structured on a rotational basis, this is to allow an approach of 3 lessons per day and to spread teaching and learning across all of the subjects chosen by pupils. There are 4 timetables below, one suggested for each of our remaining school weeks over the course of June. In the timetable structures below, each letter represents a subject. When you receive your email via glow, this will identify which letter corresponds with the appropriate subject.
