### Change of Timetable Arrangements June 2020

Dear Parent/Carer

As we continue in this period of school closure, it is essential that we plan for the future, and work towards a time when we are, once again able to deliver our normal education provision. With this in mind, the following paper, outlines how we will move to our new timetable on 1<sup>st</sup> June 2020. From this date pupils will move up to their next year group e.g. S3 will become S4 etc.

Given that we are still in a period of school closure, our expectations of the level of teaching and learning of the highest quality that can take place at a distance must be realistic. With this in mind we suggest a plan for a typical day at a virtual school as follows:

<b>Time</b>	<b>Activity</b>	<b>Information</b>
Before 9am	Wake up!	Get breakfast, get changed and get ready for the day!
9-9.30am	Active time	PE with Joe Wicks or Dance with Oti Mabuse (both available on YouTube)
9.30-10.30am	Task time 1	Completing schoolwork. Log into Google Classroom to complete some of the tasks set by your teachers.
10.30-11am	Break Time	Have something to eat and a drink. No screens. Get some fresh air, if you can or talk to a family member.
11-12pm	Task time 2	Completing schoolwork. Log into Google Classroom to complete some of the tasks set by your teachers.
12-1pm	Lunch	Have something to eat and get some fresh air if possible. Go for a walk within guidelines. Try to avoid screens.
1-2pm	Task time 3	Completing schoolwork. Log into Google Classroom to complete some of the tasks set by your teachers.
2-3pm	Relax	Time to unwind, read, do mindfulness, listen to or play music, do a puzzle or craft. Try to avoid screens.
3-3.30pm	Check in	Check on Google Classroom to see if you have any feedback from work submitted.

Each day we are suggesting that there are 3 virtual periods of lessons. We aim to have a balance between lessons and wellbeing. The daily planner takes account of the need for structure, lessons and wellbeing. This is the model we will operate for the remaining 4 weeks of the summer term (we close on 24<sup>th</sup> June).

This will mean:

**Pupils in current S3 will move in to S4** (year 1 of their senior phase). Again, almost all pupils will have decided which subject they no longer continue with during S4. Consequently, they will have only 7 subjects remaining. Pupils will receive an email to their glow account listing the subjects the courses they will now follow A to G. For each of our remaining weeks a timetable has been structured on a rotational basis, this is to allow an approach of 3 lessons per day and to spread teaching and learning across all of the subjects chosen by pupils. There are 4 timetables below, one suggested for each of our remaining school weeks over the course of June. In the timetable structures below, each letter represents a subject. When you receive your email via glow, this will identify which letter corresponds with the appropriate subject. The arrangements for them will be as follows:

<b>Week 1 1 – 5 June</b>	<b>Task 1: 9.30 – 10.30am</b>	<b>Task 2: 11.00 – 12.00pm</b>	<b>Task 3: 1.00 - 2.00pm</b>

**Pupils in current S4/5 will move onto S5/6 as appropriate.** Again, almost all pupils will have decided in which 5 subject areas they wish to continue their studies. Pupils will receive an email to their glow account listing the courses that they will now follow A to E.

For each of our remaining weeks a timetable has been structured on a rotational basis, this is to allow an approach of 3 lessons per day and to spread teaching and learning across all of the subjects chosen by pupils. There are 4 timetables below, one suggested for each of our remaining school weeks over the course of June. In the timetable structures below, each letter represents a subject. Please note these are provisional arrangements and maybe changed later due to SQA results or school capacity. There may be significant changes to provision in August. This is particularly true of Advanced Higher subjects which may run in June but will not be available for the rest of the session. Also note if you have not been timetabled for an Advanced Higher, you should attend your option for that column.

The arrangements for them will be as follows:

<b>Week 1 1 – 5 June</b>	<b>Task 1: 9.30 – 10.30am</b>	<b>Task 2: 11.00 – 12.00pm</b>	<b>Task 3: 1.00 - 2.00pm</b>

Monday	C	D	E
Tuesday	A	B	C

Please note that ASN pupils will also move up to the next year group but will maintain their current routines for online learning.

If you have not completed options, have not received your Glow email with your options or have a particular options query, please send an email for the attention of your Pupil Support teacher to: [office@calderside.s-lanark.sch.uk](mailto:office@calderside.s-lanark.sch.uk)

Pupils will attend classes they have opted for, however in S5/6 when SQA exam results are issued in August there will, as is the norm, be re-coursing of pupil timetables as necessary.
