

Timetable Arrangements for Remote Learning January 2021

Dear Parent/Carer,

As of **Monday 11th January 2021**, all Calderdale pupils will access online learning at the times below. (Those pupils who are children of Key Workers will be accommodated in school and given access to the same online learning activities).

All pupils should use their **existing** timetables, to populate these templates. This is a 2 week cycle with double periods for learning sessions which will allow all subject areas to make progress with learning.

Please note the following:

- Pupils should already have details to enable them to access the appropriate Google classroom. If there are any issues please contact your child's Pupil Support Teacher who will arrange for access.
- Practical subjects such as PE, Technical and Music will deliver theoretical input online and complete practical activities when face to face teaching resumes. PE will have a strong focus on health and wellbeing.
- Interval and Lunch should be used by pupils to take a break from their studies and have a snack or lunch. They should be ready to continue by the stated start time of the next session.
- For pupils in S4, S5 and S6 assessments are currently on hold, we will be in touch in due course to discuss the roll out of future and/or rescheduled assessments.
- Teachers will be outlining at the start of each week what learning will be taking place over the course of that week. They will also be outlining protocols and expectations during the remote learning format.
- Teachers will be taking a register of attendance at classes.
